Follower synonym list

Other useful sources with synonyms of the word: followerColleague is always used in the good sense, associates and coadjutor in general as follows; ally, assistant, collaborator, attendant, companion, helper, or good or bad sense; abetter, accessory, accomplice, confederation, almost always in a bad sense. The Ally is mainly used in national and military matters or in some other contacts considered to be large and important; like allies of despotism. The colleague applies to civil-ecclesiastical relations; members of Congress from the same state are colleagues, although they may be bitter opponents politically and personally. The Supreme Court's associate judge is close to the rank of sheriff. The surgeon's assistant is a doctor or medical student who shares the treatment and care of patients; the surgeon's satellite is the one who rolls with bandages, etc. A follower, a henchman, a holder is a person, especially a devoted manager, and is usually associated with necessity, fee or reward. The partner came to mark almost exclusively the business connection. Legally abettor (general legal spelling) is always actively or constructively involved in a crime committed; accessory never. An accomplice is usually an executor; accessory never. If there is, though, just stand outside and keep a watch before surprise, one is abettor, not an accessory. Under ordinary law, an additive means an executor and cannot be convicted until after the perpetrator has been convicted; an accomplice or accomplice may be convicted as an executor. An accomplice and accomplice have almost the same meaning, but the first is popular, the latter more distinguished by the legal term. Compare ANNEX; Auxiliary. Synonyms: abetter, abettor, accessory, accomplice, ally, assistant, associate, satellite, coadjutor, colleague, companion, confederate, helper, henchman, participiator, partner, saveerAntonyms: opponent, antagonist, traitor, chief, commander, enemy, enemy, confrontation, leader, opponent of the enemy or after it; illustration shape accessories.
